EXCEPTIONAL QUALITY.
EXCEPTIONAL VALUE.

BEAUTIFULLY FUNCTIONAL. BUILT TO LAST. CORILAM.

Now you can have styling, durability and value. Meet the new formal and casual collections from Corilam. Wood-frame and upholstered seating with dining / activity and occasional tables that complement any acute care and long-term healthcare community décor. Designed for durability, quality is built into every piece. With a variety of styling options to satisfy the most discerning tastes.

CFC Healthcare, a division of Corilam Fabricating Company, understands the distinctive requirements of healthcare environments. For over thirty years, we have served the institutional furniture market. We join understated elegance with durability, safety and cleanability to offer furniture that is functional, yet reminiscent of home. Our furniture is produced using materials that comply with strict indoor air quality regulations. Our wood is harvested from sustainable sources. Our corporate commitment to "green" manufacturing is reflected in every piece of furniture we produce. And every piece is 100% American-made.

SENSATIONALLY **SENSIBLE**

DINING AND MULTI-PURPOSE SEATING

Wood-Frame Seating is available in 16 different models. Top quality components and advanced manufacturing techniques assure a long product life to enhance the healthcare environment for a long time to come. From traditional to transitional and contemporary, there is a style to satisfy any décor.

Warranty Statement

Corilam Fabricating Co., Inc. hereby warrants that the products manufactured by it shall be free of all substantial defects in original material and workmanship under normal use in standard industry conditions for a period of five years from the date of purchase. Within the specified period of this warranty, Corilam agrees, at our option, to repair or replace subject products which prove to be defective in material or workmanship, provided that the buyer gives written notice within thirty (30) days of all such claimed defects. The liability under warranty shall not exceed the original price of the defective material. This warranty does not apply to damage resulting from shipment, storage, alteration or misuse of product, and failure to provide reasonable and necessary maintenance.

Upon customer request, we can provide many of our products as FSC®-Certified which may contribute to LEED credits.
